

Practice

- Physical distancing,
- Hand hygiene,
- Cough etiquette,

and

Wear a medical face mask

**Check your operator's
Rules and Regulations**

Dear Passenger, **be prepared..**

- Follow national COVID rules
- Plan how you are getting to the airport;
- Check your travelling documents;
- Know where to go;
- Check in and go through security;
- Go to your gate;
- Board your flight;
- Find your seat;
- Listen to the safety demonstration

Enjoy the flight.

Governmental laws and military regulations applicable to air transportation of passengers and baggage, in which security and safety are important elements, contributes to flight safety.

Air terminal representatives need to clarify by these regulations whether passenger and their baggage are acceptable for carriage. We kindly ask for your cooperation. Enjoy your flight!

To the Airport;

Be aware that only travellers may enter the airport terminal buildings

Leave enough time to allow for checks and new procedures

Follow cough etiquette and wear a medical face mask to protect yourself and your fellow passengers

Departure Airport;

Ask Point of Contact ,Airport or Airline staff if you have any questions or concerns

Bring everything you need for your journey and have all documents ready

Make sure to practice physical distancing, wear a medical face mask and expect to be refused boarding if you don't

On the plane;

Practice hand hygiene, follow cough etiquette and wear a medical face mask

Watch the cabin safety demonstration to be aware of specific instructions for your flight

If you feel ill while travelling, inform crew and seek medical care as soon as possible

Limit your movement in the cabin to that essential for well-being

Arrival Airport;

Practice physical distancing, hand hygiene and cough etiquette and wear a medical face mask

Collect your bags and leave the terminal building as soon as possible

Reduce the risk of virus transmission by minimizing interaction with people in the arrival terminal
